

If you're running a high mileage engine, your luck is going to run out at some point down the road. Will it be expensive? Will you be able to get it economically repaired? Only the future will tell. Don't let another month go by. Keep your truck out on the road with an ATC Super Overhaul Special. It's a great way to extend the life of your truck and includes a genuine Detroit Diesel lower end kit, a Reliabilt® cylinder head, all new cylinder head bolts, 6 cylinder kits, installation gaskets, and installation by experienced ATC service technicians. In addition, we'll check the condition of the turbo, water pump, fan belts, and inspect, steam clean, and paint your engine while we're at it.

Call us or come by and arrange for your ATC Super Overhaul Special before it's too late.
